

Group Kit List

EXAMPLE

SCOUT COPY / LEADERSHIP COPY

This is to be completed at the Preparation Session and returned to the Leadership then. They will photocopy it and return one copy to EACH member of the group and retain one copy. This will be used to check off against on the pre-departure check. This document forms part of the mitigation of the Risk Assessment, and should be retained by the leadership.

Groups are to indicate on the table below who is carrying what parts of group kit. Tents should be split up. All group kit whether from stores or from home should be recorded here. Other than in the top row and first column, the table should only have numbers.

The leadership should check that each item below is either requested from stores or is coming from home.
