Group Stores Request

SCOUT COPY / LEADERSHIP COPY

ONE copy of this is to be completed PER GROUP. It is to be handed in to the leadership at the Preparation Session. The leadership will photocopy one copy for EACH scout in the group, and return them asap. The leadership is to retain one copy so as to prepare kit to be issued the Tuesday before the expedition.

Scouts should ensure that all items on their group kit list either appear below or can be sourced from home/elsewhere.

Each scout is to complete a column to indicate what he is going to draw from stores and sign for – this should strongly resemble what you are going to carry. Note that tents are issued as one complete item and that matches need to be asked for but do not need to be signed for.

All scouts are reminded that it is their responsibility and theirs alone to return the kit on time and in a clean and dry condition. Scouts failing here should expect to be asked to repair or replace broken/damaged kit.
